# BULLHORN® Quick Reference Guide – LinkedIn Integration

Bullhorn's LinkedIn integration allows you to access the LinkedIn profiles of your candidates and contacts from inside the ATS/CRM, as well redirect back to their Bullhorn records from inside LinkedIn.

Bullhorn link/button appears in both your search results as well as the individual LinkedIn profile for people that already have a candidate, contact, or lead record in Bullhorn. Click to return to their Bullhorn record.

The screenshot shows the Bullhorn search interface. At the top, there's a navigation bar with 'in Recruiter Professional Services', 'Reports', 'More', and a notification icon with '3'. Below is a search bar with 'Search...' and 'Advanced' options. The results section shows '24 results' and a filter for 'All | None'. Two search results are visible:

- Sean O'Shea** (out of network) 447: Product Manager at Oracle, Ireland | Computer Software. A red box highlights the 'In Bullhorn 1 View' link.
- Sean O'Shea** (unlocked) 500+: Games Operations Manager at Special Olympics Ireland, Ireland | Outsourcing/Offshoring. This entry includes a detailed work history and education section.

The screenshot shows Sean O'Shea's LinkedIn profile. The profile header includes his name, title 'Product Manager at Oracle', and location 'Ireland | Computer Software'. A 'Bullhorn Record' button is highlighted with a red box. Below the header, there are options to 'Add to Project', 'Add to Clipboard', and 'Share Profile'. A section titled 'Track additional information on candidates' shows 'Willing to relocate: Yes' and 'Available date: 1st October, 2013'. There are buttons for 'Send a message' and 'Update me'. The profile also shows 'Experience' at Oracle (2007 - Present) and 'Education' at University College Dublin (2004 - 2006). A 'People Also Viewed' section lists other professionals like Tim Kirwan, Chris Phillips, Tony Gray, and Donal Daly.
